NIRMALAGIRI COLLEGE

DEPARTMENT ACTIVITIES 2021-2022

- ❖ Miss Jismariya P V secured 2nd rank BSc chemistry examination & Miss Revathi P V secured 2nd rank in M Sc chemistry examination. Students of the department secured 14 A+ which is the highest number of A+ in any college of Kannur university and 8 A grades.

- ❖ Our 3 students admitted in state university centres.
- ❖ PhD was awarded to Mrs Salini N G and Mr Rakesh K E who completed their research under the guidance of Dr Rosy Antony.

- ❖ 6 research papers were published in internationally reputed journals.

- ❖ On 04.12.2021, an international webinar titled "ISACS -2021- Interdisciplinary Studies & Advancement in Chemical Science" was held. The resource persons included Dr. Suneesh Karunakaran, Research Scientist, Georgia Tech, USA, Dr. M.T Jeena, PostDoctoral Fellow, Stanford University, USA, Dr. Supreeth Nagendran, Post-Doctoral Associate, University of Cambridge, UK, and Dr. Sylvia Britto, Post-Doctoral Associate, Diamond Light Source, UK.

ISACS-2021
Webinar on
INTERDISCIPLINARY STUDIES & ADVANCEMENT IN CHEMICAL SCIENCE
04-DEC-2021

Dr. SUNEESH KARUNAKARAN
Research Scientist
GEORGIA TECH USA
Time : 9.30-10.30 AM
Chemistry of origin of life

Dr. M.T JEENA
Post Doctoral Fellow
STANFORD UNIVERSITY
USA
Time : 10.30-11.30 AM
Self-assembly of peptides inside mitochondria; a novel cancer therapeutic strategy

Dr. SUPREETH NAGENDRAN
Post Doctoral Associate
UNIVERSITY OF CAMBRIDGE
UK
Time : 2.30-3.30 PM
Current status of Li-ion battery technology

Dr. SYLVIA BRITTO
Post Doctoral Associate
DIAMOND LIGHT SOURCE
UK
Time : 3.30-4.30 PM
Synchrotron radiation for chemical sciences

- ❖ Amal Jyothi College of Engineering Kanjirappally presented Dr Nygil Thomas with the ICAN Young Researcher Award 2021.

ICAN YOUNG RESEARCHER AWARD 2021

AICERA 2021
ANNUAL INTERNATIONAL CONFERENCE on
EMERGING RESEARCH AREAS

Awarded to
Dr. Nygil Thomas
Assistant Professor, Department of Chemistry, Nirmalagiri College

In recognition of his exemplary research initiatives and contributions that have expanded the horizons of Nanoscience and Technology

Organized by
Centre for Nanoscience and Technology and Department of Basic Sciences, Amal Jyothi College of Engineering
in partnership with
Department of Energy Materials, Mahatma Gandhi University & Faculty of Chemistry, Gdańsk University of Technology, Poland

Dr. Z V Lakaparampil
Principal
Amal Jyothi College of Engineering

ICAN 2021
International Online Conference on
ADVANCED NANOMATERIALS
14-16 December 2021

Dr. Soney C. George
Convener

- ❖ Invited speeches by faculty have been given in seminars hosted by other institutions.
- ❖ Hareeshma k, Jithwara S, Varsha PV and Theresa Thankachan of 3DC Chemistry 2021-2022 batch for their excellent performance in JAM 2022 exam.

- ❖ Lintu E J (2018-21 BSc batch) for winning Chief Minister's Student Talent award 2022

- ❖ Dr Derry Holaday M G (Assist. Prof Department of Chemistry Calicut University) on Chemistry in life

- ❖ Kannur university union Kalolsavam 2022 Winners

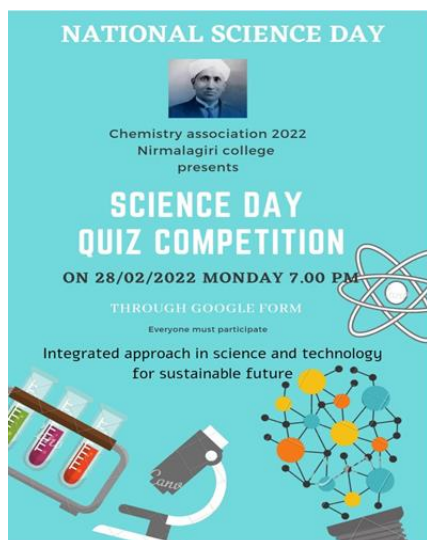

❖ Single pasange photo contest:

A photo contest was organized by department of chemistry for college students on Valentine's day on 14-02-2022 at the College gallery. This contest as a digital marketing campaign where users submit a photo for the chance to win a prize. Many students participated and winners were selected by specially appointed judges and the prizes were distributed at the college.

❖ International science day -Quiz competition

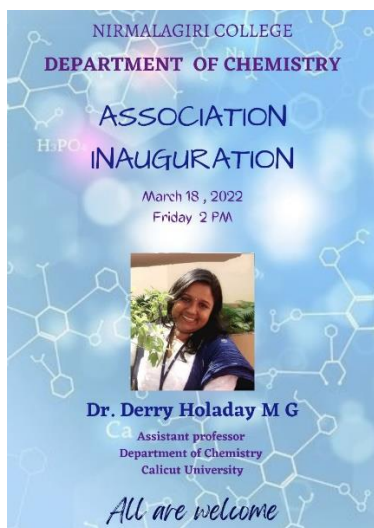

28th February is celebrated as National Science Day (NSD) in India. On this occasion department of chemistry organized a science quiz competition for the students on 28/02/2022.

There was active participation of the students in the online quiz competition. Then the winners were announced.

❖ Association inauguration 21-22

The official inauguration of the association, which was postponed due to special obstacles, was held on Friday, March 18, 2022 at 2 pm in the presence of students including PG class of the department.

Inaugurated by Derry Holaday M G (Assist. Prof Department of Chemistry Calicut University).

Then the students of the department who have achieved success in various fields of arts were felicitated with medals. Rakesh sir, who received his doctorate from Kannur University, was honored with a memento.

As part of association music completion was conducted . Many students participated and Sooryanadan II Dc chemistry was the winner.

❖ Finer artist celebration -22

The Chemistry Department won both the offstage and onstage events in the Fine Arts Over All Championship held by the college for many years. The Chemistry Association and the students worked together to maintain the Arts Overall Championship. The chemistry department appreciated students on 20-03-2022.

❖ Hasta la vista -22

30/05/2022 Centoff party was given to the third year students of the department. Centoff party was given in the presence of the teachers of the department and then there were artistic performances of the students. The program ended by marking the memories of the third year students.
