

**DEPARTMENT OF CHEMISTRY**  
**NIRMALAGIRI COLLEGE**

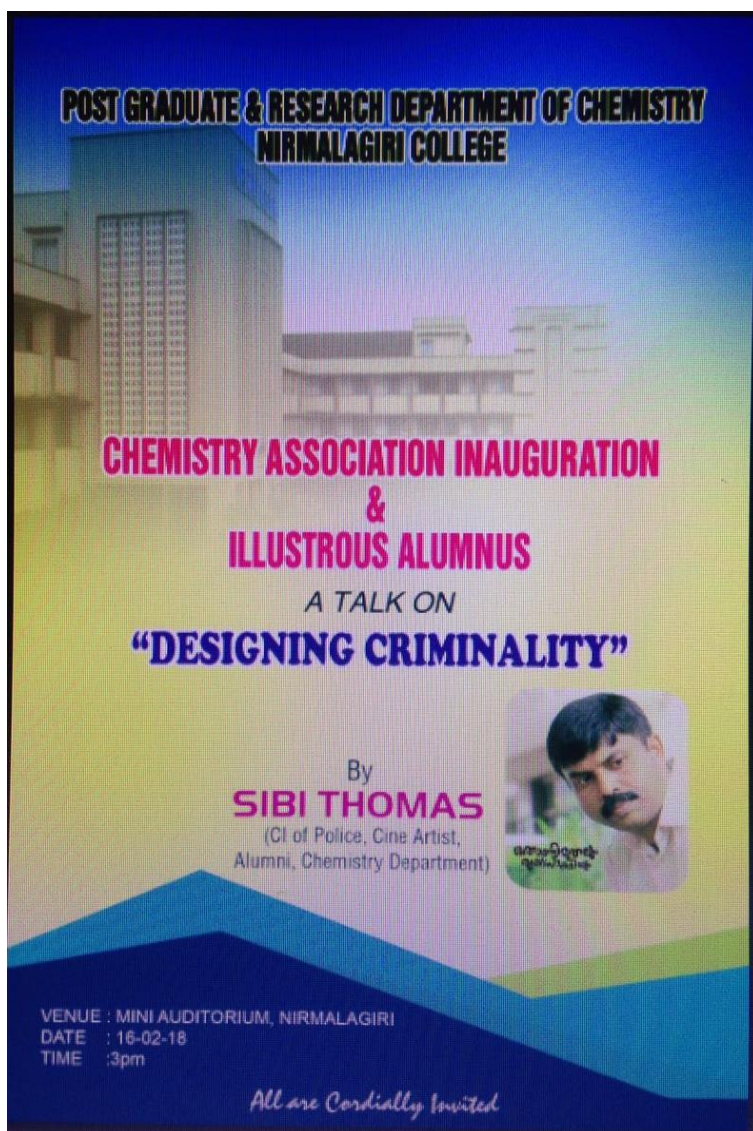

**DEPARTMENT ACTIVITIES 2017-2018**

❖ Activities of the department started with felicitations to the meritorious student Ms Devayani who secured admission in IIT Guwahati, JAM qualified students and ‘A+’ grade winners. Prizes were offered by Management, College and Department in a prestigious ceremony.

❖ To promote interaction with prominent Alumni a lecture series “THE ILLUSTRIOUS ALUMNUS” were conducted. The inaugural talk was given by Sri. Sibi K Thomas (CI of Police & Film Actor) on 29th January 2018.

It sounds like the alumni talk by Sibi Thomas on "Designing Criminality" at Nirmalagiri College's Chemistry Department was an engaging and motivational event for the students. Sibi Thomas, being a police CI and a film artist, likely brought a unique perspective to the topic, combining his experiences from both domains.

These kinds of events can be valuable opportunities for students to gain insights from professionals and experts in various fields. They can provide inspiration and motivation for students to explore different career paths or deepen their understanding of specific subjects.

❖ A competition on innovative science projects was organized separately for school and college students named Luminescence on 04-03-2018

 **NIRMALAGIRI COLLEGE**  
Re-accredited by NAAC with A Grade  
Nirmalagiri P.O. Kuthuparamba, Kannur 670 701

**LUMINESCENCE**  
Science Project Competition  
On 16.01.2018

Organized by  
PG & Research Department of Chemistry
