❖ NGC fest on06-02-2019

❖ Memorica-2K19 on 15-02-2019

THE ILLUSTRIOUS ALUMNUS" program is a lecture series aimed at promoting interaction between students and prominent alumni. The talk was given by Dr N K Renuka Associate professor, Department of Chemistry, Calicut University on '15-02-2019 . By having alumni share their experiences and knowledge, the program hopes to inspire and motivate students to strive for higher positions and achievements in their own careers. This is a great way for students to network and learn from successful individuals who have already travelled a similar path.
